Ref. No. : SEF/SGI/SIMMC   Date :

16 April 2021

To
The Dean (MBA program)
Savitribai Phule Pune University
Pune

Sub: Revision/ Modification of MBA & MCA syllabus

Sir,

With reference to the above subject, we want to place certain suggestions regarding the structure of the existing MBA & MCA program syllabus. We want to state that the suggestions are based on the routine feedback which we administer from the students, alumni and the industry professionals.

The suggestions are as follows:

1. Considering the feedback of students regarding the difficulty level of the course "Decision Science", it is suggested to transfer this course from semester 2 to semester 3.
2. It is suggested to make the course "Legal aspects of business" as GEUL elective instead of compulsory course
3. It is suggested to revise course outcome of MBA syllabus for revised mapping.
4. To give more exposure to students, there can be an introduction of a mandatory 'WINTER' internship of 30 days, after the completion of first semester.
5. For MCA program for the course "Big data analytics" it is suggested to use R-Programing as a tool as an extra input for gromming.

For your kind consideration.

Dean
Faculty of Commerce & Management
Savitribai Phule Pune University, Pune

Sub: Revision/ Modification of MBA syllabus

Sir,

With reference to the above subject, we want to place certain suggestions regarding the structure of the existing MBA program syllabus. We want to state that the suggestions are based on the routine feedback which we administer from the students, alumni and the industry professionals.
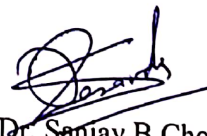

The suggestions are as follows:

1. There is a growing need of analytics in all the fields and in demand in corporates. It is suggested to incorporate more specializations in Business Analytics and Machine learning area.

2. Dissertation is the course in the current syllabus of 4th semester. Since students undergo summer internship projects and prepare a detailed report of the same, it is suggested to drop the course from 4th semester.

3. There is a need of blended specializations by the industry. The syllabus may be suitable modified to allow students to choose dual specializations for his or her MBA program. Further to make it more relevant, one of the specialization may be considered MAJOR and other MINOR.

4. To give more exposure to students, there can be an introduction of a mandatory 'WINTER' internship of 30 days, after the completion of first semester.

For your kind consideration.

Key Indicator- 1.4 Feedback System

1.4.1. *Institution obtains feedback on the academic performance and ambience of the institution from various stakeholders, such as Students, Teachers, Employers, Alumni etc. and action taken report onthe feedback is made available on institutional website*

Feedback processes of the institution may be classified as follows:

INDEX

Suryadatta Education Foundation's

Suryadatta Institute of Management, Pune – 21

MCA Department

Feedback policy

Preamble: Effective learning outcomes are increasingly being used to evaluate the effectiveness of MCA department. Feedback tools are important for determining whether the Department is improving student performance and offering high-quality instruction. To ensure the availability of feedback forms, the department creates a rule. For many different stakeholders to evaluate the effectiveness on several levels.

Objective:

1. To keep understanding of the objectives and expectations of college beneficiaries and students.

2. To ensures that all products, services, facilities, and procedures are improved continuously.

3. By gathering, analysing, and timely reporting student feedback on teaching, learning, and assessment, educators can evaluate and improve all elements of students' educational experiences.

Stakeholders:

1. Students
2. Alumni
3. Teaching & Non-Teaching staff members
4. Professional Bodies
5. Suppliers/Vendors, Trainers
6. Guests- Technical & Non-Technical events
7. Employer
8. Parents

Policy & Procedure:

For each stakeholder, the Head of the Department (HOD) shall provide organised feedback forms. Both online and offline techniques will be used to get the comments as per the requirement. HOD will review feedback forms that have been completed.

Feedbacks are to be gathered under the general heading below:

- Feedback from students –Mid of Semester and End of Semester
- Feedback from Alumni - Once/Twice in a year
- Feedback from employer – Once in a year
- Feedback from staff - Once in a year
- Feedback from parents - Once in a year

Additionally, the MCA Course conducts an exit survey for every course. Higher authority also taken feedback verbally. All interested parties must provide feedback on the curriculum in order to evaluate the effectiveness of the current curriculum and provide worthwhile recommendations for further parts of the teaching, learning, and research processes. Following the examination of the input, it must be sent to the appropriate authorities for further processing and action. A report on the actions done will be produced based on the analysis of the feedback, and the necessary corrective actions will be taken promptly.
