It was really great

Very excellent

E-Expo was a good concept to learn online and was very helpful

It was a good experience

I got to learn a lot. I learn how the negotiations between two organization takes place, the dealing etc

E-Expo is a great learning part of my MBA curriculum which has taught me many skills, which is helping me in my professional life.

3 years in Bank

It's good for every member for doing this type of expo every one learn something new from this expo

Got opportunity to learn lot of new things

It was good and first time i experience this type of expo in which i work like a professional and doing all calculation that needed for this project. Learn presentation, negotiation skills.

Explained experience. Harshad sir is very harmful and polite. He's a very supportive and helpful person.

Our E expo was Good we learner about competitive analysis all about that company and improve our skills

It was great experience as we learned so many things from the sector.

It was great experience working with all new members and creating the grp my own. From selecting the company to collecting information of all the points.

It was a great experience to manage a team, get able to learn a lot more things

E expo was not for our batch so didn't find any experience rather than communication in viva which was really an amazing experience with fun.

I loved it overall and enjoyed learning about the company as well as was able to polish my skill

During E-Expo we need to support our mentors to help finding information and how to present ourself on that presentation.

Great.

I learn lots of things about amul company and got new friends for doing this project

It was too good, I have explored a lot in those days

It was a really great experience interaction with the team, teachers and research and analysis was the best part. In-depth knowledge of the domain was the cherry on the top.

Expos provide a unique stages to encourage or build the confidence

It was good. Hope next time situation would be good, And the group members would get much active.

Good experience

Memorable

As a team member and working in a team I enjoyed a lot had fun while doing this activity with friends and teachers

It was great experience to work on Flipkart E-expo project, which gave me idea regarding facts and how to improve learning skills.

great

Very well organised and the exhibits were fabulous. . management and effort of the students and teacher. They have shown an immense confidence level in speaking skills

It was a very new and good experience to come together and work with people you have just know...

It was great learning experience

It was good experience with all my team members.

The experience was good

it was good experience

it was great experience

That was my first experience like how to negotiate with the partners and also understand their requirements and then will make good deal

it was challenging

It was a good experience and it has helped me to improve my presentation skills and my communication skills.

The overall experience has been really good. This was very helpful in my academics.

That was online so it was OK.

ADFC company is very good company. This company helps to improve the language skill investment long term to short term.

We know how to explore other things related to business, how to communicate to customers, customer demands, which things, offers are profitable for customers, financial transactions, how to balance finance related things etc.

IT WAS GOOD AND MEMORABLE EXPERIENCE WITH ALOTS OF PRACTICAL AND ACTUAL KNOWLEDGE.

It was so good I get to know much more.

It was great experience gain lot of knowledge get to know about company much deeper.

It was great experience and gain more knowledge.

Job was the best.

It was very nice experience.

Too good.

Good experience skill development.

Interesting.

Get proper knowledge of expo.

It was great experience in finding out all the details and doing the analysis.

Fantastic.

It was very helpful for gaining knowledge about organisational skills.

It is very helpful expo was.

Group Activity

Working days and days on project

Working with Prof. Harshad Bhadange as Co-ordinator & Internal VIVA.

Internal viva

Final expo day

Question and answer round

We got to know about most of the things which we were not aware earlier about the market and how companies work how they survive in the market with other competitors.

Last presentation day.

When our question answers part get start and first we all get nervous but after that we told answers confidently.

Interaction with Harshad sir

The negotiation part that was done for Salman Khan Upcoming movie Radhe

Got to know how the team works.

Negotiations part

Negotiation part

Negotiation part was fun

During internal viva question answer and negotiate with our teachers is very memorable moment.

We have shared our ideas in Google meet with team spent time with team members and enjoying the discussion about amul product.

All good

Nothing so much

All good.

As students involvement plays big role in this activity, proper guidelines should be made for E-Expo. Students should know what exactly they want to do.

online it's not too much enjoying

Nothing.

Do it confidently, and manage your time

Nothing ; E-Expo should be done offline only

Everything was perfect for me no suggestions I have till now.

It was great

Due to corona ,it was conducted online but would have enjoyed alot if it is done offline

Yes that activity very helpful, and informational we learn new many things in E-Expo

Gamifying things.

To search extra activities of Amul company

It always should be in the offline mode for better understanding and experience and interaction

To collecting live information about company

Technical part

1:42 PM

Would focus more on team work

No, suggestion it was and superb to learn and to know how industry and companys work in todays world and in market segmentation

Students should learn different methods regarding the projects.

great

No suggestions all was perfect.

Must have a mentor or mentee

it should be offline

We will do more effective and proper reasearch when that suitability with work

All good.
